Mission & Vision

MISSION

To showcase deliberate impact and growth for over 180 female superintendents of color that produce lanes of purpose across 75% of the nation.

VISION

To be a guiding force for existing and future women Ed leadership pipelines in purpose for purpose.

The Platform

BENEFITS

- Quick to deploy all-in-one solution
- Monetize content via licensing
- Generate recurring revenue
- Save money; utilize standard content formats

- Live stream audio, video and chat
- Interactive multimedia whiteboard
- Recorded content sharing
- Real-time engagement reporting
- Private-label and customizations
- User memberships and subscriptions

Founded in 2018, 2BeLive offers a complete platform for content publishers to host, manage and deliver digital content to support virtual education and training programs. 2BeLive connects publishers with educators and learners via a secured and robust virtual education platform that ensures payment to content owners

Areas of Focus

BRAND EXPOSURE YOUR WHY!

YOU are a culmination of gifts from decades of experience and a chosen leader. Why not expand brand optics to reinforce your power? SisterSupes is here to provide:

- Focused attention on your “WHY!” One-on-one ideation of your mission and purpose to inspire and harness both personal and professional themes
- A unified voice that amplifies purpose for today that will deliver constructs for tomorrow to be harnessed in a future published book and documentary by founding partner, 21stCentEd.
- An asynchronous and synchronous video share that conveys a full 360 degree of your intentions within the 2BeLive platform
- NEW! Membership access to the SisterSupes Private LinkedIn page

PERSONAL GROWTH

YOU are responsible for the trajectory of thousands of humans! Students, Parents, Educators, Community, and your own family! It's your opportunity to pour into YOU! The following are in the works:

Conference attendance with rich, Professional Development supporting leadership themes at the premiere SisterSupes Convening, July 8-11, 2026 in Cancun, Mexico with founding partner, 21stCentEd. including but not limited to:

- Social & Emotional Learning with Restorative Circles on the sand for grounding Journaling opportunities that create reminders of your divine purpose
- Access to inspirational content that prepare you for the unknown
- Note: Additional in-person gatherings will be scheduled across other US conferences including NABSE and AASA (with virtual attendance options) There will be other virtual opportunities to check-in!

PROFESSIONAL NETWORKING

There will be a myriad of opportunities to expand your network including but not limited to:

- Conference attendance at the premiere SisterSupes Convening, July 8-11, 2026, Cancun, Mexico with founding partner, 21stCentEd.
- Other national conferences including but not limited to NABSE and AASA
- Options for you to request your own SisterSupes gathering within your state
- A space to create virtually instant collaboration in an encrypted space with available SisterSupes members

BRAND MONETIZATION

YOUR passion deserves a platform to shine. It's time that you receive residuals from your collective experience. You will have opportunities to:

- See transparent reporting of all transactions from any human that requests access to YOU!
- This could include your own presentations across a battery of YOUR passionate themes that the world wants to better understand along with any books you've authored (or a teaser of what's to come).
- You can include your own sponsors to support your personal brand if desired.
- Options to use this event towards annual Professional Development.

How it Works

It's simple... Just register via the SiserSupes Website - Or email and ask for more information about this timely membership to schedule time for onboarding. You only pay a \$500, non-deductible deposit, on or before March 30, 2026 for this all-inclusive stay (less travel expenses). All other costs will be absorbed by sponsorships. We will craft mutually beneficial, synergistic opportunities with our partners in K12 that echo our unique needs, both personally and professionally. This will support our operational expenses. It is our commitment, that we make for you to relax, center and be elegantly infused with professional development (PD) with hopes that this will support your personal growth and leadership trajectory that the District will undoubtedly support. Please note: There are limited seats! We highly recommend you confirm your attendance before the March 30th deadline.

This will include a space for the world to access your brand collection from authored books, to speaking requests - both synchronously, asynchronously, and in-person. Translation: you get to monetize!
